

## **Abstact**

Realism or suitable in fact in literature related to the fact of life and get away from personal emotions and mental specter. The fans of realisms believed that artist and bookman must be undertaker and have the prophecy related to the fate of people. This religion provided for the first time in franc in 1826. The first point of beginning of this religion provided in the first half of 20 century. Mohammad Alfitory 1930 was a poem of Soudan that tried to be as same as poor people. He subjected critical and social matters. Hence his hero of poems were poor people. In this research tried to survey this facts by descriptive – analytic method. The first studies showed that fighting with racialism – freedom , patriotic , poor in poems have more frequency.

Key words: Realism , Mohammad Al-Faituri, contemporary Arabic poetry, social commitmen
