

## **Abstract**

Each society, according to the instructions and beliefs of its individuals chooses a kind of lifestyle. In an Islamic society according to the instructions of Islam, a kind of lifestyle is general which is known as Islamic lifestyle. After the Islamic revolution of Iran, due to the religious nature of the revolution, Islamic life methods has become the center of attention and this concept also reflected in the poems of undertaker and revolutionary poets. This research is allocated to investigating Islamic lifestyle in Qaisar Aminpur's poetry and has been provided by the library-documentary method. Qaisar Aminpour is one of the poets has known in the flow of Islamic Revolution, who has given special attention to the style of Islamic life in his poems during the defae moghadas period. He was one of the most effective poets during post-Islamic revolution; this khuzestani poet is one of the activists of the defae moghadas poetry. Both in the classical and new style poetry, Qaisar is one of the greatest. Most of his poems written during defae moqadas period and related to it. The results of the research indicate that The Islamic lifestyle in Aminpour's poem is often reflected in Islamic life during the period of defense and jihad. Another part of his poem in linked to Islamic life style and considers the concept of shahid and shahadat.
