

Abstract

Children's literature refers to literature for children and their education is provided for entertainment and self-contained stories, plays, poetry and stories pleasant and nice to children in each period according to their mental and spiritual needs, directly or indirectly benefits. Because children are the main pillar of any society, children's literature, according to the basic infrastructure needs of the communi. Children's poetry, a literary species is having a form and content written for children is almost certain. Words and sentences in the form of brevity poems, songs, simplicity and clarity, this type of poetry is also trying to simple imagery, educational content to inspire children. One of the best poets in contemporary Arabic poetry child, Sulaiman Isa (1921-2013M) is. He is the founder of Syria's poetry as "the poet of Syrian children" is famous for the beautiful poetry collection "Justice for children" is written for children. In this study the structural components and content with descriptive analysis and document searching and check library. Studies suggest that more education content poems of friendship, patriotism and loyalty to the Arabic language and poetry of the poet is appropriate to the child's understanding.
