

Abstract

Literature stable branch of literature that strength and perseverance of the people is to defend aspirations. During the stability of contemporary poetry has many great poets and poems have used themes and motifs of literature on sustainability. Amina al-adwan including contemporary Arabic poets sustainability, which struggles with pain and suffering of the Arab nation and the enemy of oppressors lived. Much of her poems revolve around the Palestinian intifada. Her poetry expresses pain and suffering of the Palestinian and the promise of a bright future and freedom of the Palestinian people filled with victory. Sepide Kashani character in the field of contemporary poetry Persian Shah is also awakening the popular masses with outrageous poems and expose the crimes of the regime and eight years after the Islamic revolution and sacred defense poetry defended the Islamic revolution. Given the importance of sustainability literature and frequently used elements of resistance poetry in the lyrics of the poet, in this study is based on descriptive analysis and comparative approach, will be tried separately after the reading of books of poetry of the poet they reviewed adaptive, theme and content of stability in his poetry and explore similarities and differences to be extracted. A comparative study of the poet suggests themes of sustainability in court the themes used in their poems reflect the facts and events that the nation is in process of struggle and resistance. It looks like a call to awakening, freedom and martyrdom of the most common themes of the poem. Is the poet, but the differences in the method of presentation of the themes of this poetry to be seen.
